

Awesome AUD

Dear students,

I hope you all are healthy and enjoying these holidays as well as preparing for the new session. In between the new session and these holidays of yours, the Public Relations Department of the University is going to organize a competition under the dynamic leadership of the Honorable Vice Chancellor Prof. Anu Singh Lather. Since this is the era of digital creativity, the format of this competition is also based on this.

In this competition, organized at the University level with the title “**Awsome AUD**”, you have to make an edited video of just one minute from your mobile phone from ‘**8 July to 28 July**’ in which you can showcase any moment or idea from any of the four campuses of the University. The video should be made in portrait mode and the music should be just a tune. You can send your videos to **pro@aud.ac.in** till 28 July.

The results of this competition will be announced on International Youth Day, 12 August and the top five selected will be awarded.

Also, the selected videos will be broadcast on all the platforms of the University along with the Social Media Ids of the winners.

Interested participants can also contact the Student Services Department for more information.
