D.O. No. 16-5/2020-TEL

Date: 29.07.2024

Dear to Member,

The NEP 2020 envisions moving towards a higher educational system consisting of large, multidisciplinary universities and colleges and aims to create imaginative and flexible curricular structures promoting a credit-based system that encourages flexible, integrated, and multidisciplinary education thus, removing currently prevalent rigid boundaries and creating new possibilities for life-long learning offering multiple entry and exit points.

2. In order to realize the vision of NEP 2020, an Academic Bank of Credit (ABC) has been established which digitally stores the academic credits earned from various recognized HEIs so that the degrees from an HEI can be awarded considering credits earned. To ensure the realization of the vision of NEP 2020, the role of Academic Institutions is critical by ensuring timely upload of credits to the APAAR credit repository and depositing them in the students' APAAR accounts. This is essential to facilitate the redemption and transfer of credits.

3. In an ideal scenario, all academic institutions must upload credit information immediately post completion of assessments and declaration of results. However as per the information shared by National E-Governance Division (NEGD), it has been observed that the award granting Institutions onboarded on the ABC platform are not depositing credits in the students' APAAR Ids in a timely manner which is defeating the very purpose for which ABC was envisaged.

4. As this is an evolving ecosystem and to support the Academic Institutions, it is decided that all HEIs must complete the pending upload of student data for academic year 2021, 2022 and 2023 no later than 31st December 2024 in the ABC platform. It is to be noted post the completion of the deadline, the said data will be freezed and no further credit deposits will be allowed in the ABC ecosystem. Thus, all HEIs are requested to prioritize the data upload and adhere to the communicated timelines.

5. It is to be noted that as the ecosystem matures, we shall be moving towards upload of credit data in a time bound manner to support the vision of NEP 2020.

6. You are requested to review the current status and instruct all the State Universities/ Autonomous Colleges/ Stand-alone Institutions under your jurisdiction to ensure upload of credit data within the communicated timeline.
