Circular

Subject: Introduction of MOOC Courses in All Schools as Part of UG and PG Programmes

In alignment with our commitment to providing flexible and accessible education, the B. R. Ambedkar University Delhi is pleased to announce the introduction of Massive Open Online Courses (MOOCs) across all schools as an integral part of our UG and PG programmes. This initiative aims to enhance the learning experience by incorporating diverse, high-quality online courses that complement our existing curriculum.

Key Highlights:

1. **Course Integration:** MOOC courses will be integrated into the UG and PG programmes offered by all schools within the university. These courses will cover a wide range of subjects and specializations, providing students with the opportunity to gain additional knowledge and skills.
2. **Flexibility and Accessibility:** Students will have the flexibility to choose from a variety of MOOC courses available on platforms such as Swayam, Swayam plus, Coursera, edX, and FutureLearn. This will enable them to learn at their own pace and convenience, ensuring a more personalized educational experience.
3. **Credit Allocation:** Successful completion of MOOC courses will be recognized with academic credits, which will count towards the fulfilment of degree requirements. Detailed guidelines on credit allocation and course selection will be provided by the respective Schools.
4. **Quality Assurance:** All MOOC courses included in the UG and PG programmes will be thoroughly vetted by the respective Board of Studies (BoS) of the schools and to be approved by the Academic Council to ensure they meet the high standards of the University. Only courses from reputable platforms and institutions will be considered.
5. **Support and Resources:** The university will provide necessary support and resources to help students navigate and succeed in their chosen MOOC courses. This includes access to online libraries, discussion forums, and academic advising.

We believe that this initiative will significantly enrich the academic experience of our students and prepare them for the dynamic and evolving global landscape.

For further details and queries, please contact the respective Deans.
