

Report on Delhi AI Grind Team Visit

Dr. B. R. Ambedkar University, Delhi

Date: 12 January 2026

The Delhi AI Grind Team visited Dr. B. R. Ambedkar University Delhi, Delhi on **12 January 2026**, during which two important meetings were conducted to engage students and coordinate with university officials involved in AI Grind initiatives.

1. Student Interaction Session

The first meeting was a **student interaction and orientation session**, held from **12:00 noon to 01:20 PM** in **Room CR-12, Kashmere Gate (KG) Campus**. The session was also connected via **video conferencing to the Karampura (KP) Campus**, enabling participation from students across campuses. Around 105 students have attended in CR12 of KG-Campus, and through video conferencing around 100 students have attended in C-204 of KP-Campus.

Dr. Deep Singh (Nodal Officer, Delhi AI Grind, Dr. B.R. Ambedkar University) presented a formal welcome to the guests from Delhi AI Grind team and the participants/students. He expressed his sincere thanks to **Hon'ble Vice Chancellor, Prof. Anu Singh Lather madam** for her all time encouragement and blessings to organise these kinds of Academic cum Skill oriented events. He extended thanks to the Registrar Sir, Col. Omkar Singh for providing all necessary support for successfully organizing the event. The physical presence and an address from Dean, SoM, Prof. Kartik Dave was truly motivating for the participants. Dr. Dinesh Taneja, Director IT has also encouraged the students for their participation in this event.

Dr. Jyotirmoy B. has presented Planter (a token of gratitude) to the Delhi AI Grind team. The orientation session was conducted by **Ms. Anushika** from the **Delhi AI Grind Team**, who introduced students to the objectives, opportunities, and activities under the AI Grind initiative. The session was interactive and aimed at creating awareness and encouraging student participation in AI-driven learning and innovation. The session was completely interactive and students have asked number of queries to the Team AI and got satisfactorily answered.

2. Meeting with Ambassadors, Mentors, and University Officials

The second meeting was conducted from **02:00 PM to 03:00 PM** at the **SSR Hall, Atal Incubation Centre (AIC)**. This meeting focused on

providing **important instructions and guidance** to the AI Grind **Ambassadors, mentors, and the Nodal Officer** of the university.

The following faculty members and officials participated in the meeting:

- **Dr. Deep Singh** – Nodal Officer
- **Dr. Jyotirmoy B.** - Campus Level Mentor
- **Dr. Deepak Bisla** - Campus Level Mentor
- **Prof. R. C. Sharma** - Campus Level Mentor
- **Dr. Nikhil Charak**- Campus Level Mentor
- **Dr. Bhageshwari Sharma**- Campus Level Mentor

The Delhi AI Grind Team shared key expectations, roles, and coordination strategies to strengthen the implementation of AI Grind programs within the university. The team also insisted that the campus ambassadors have to play a crucial role in maximizing the registration/participation of the students from the university.

Conclusion

Both meetings were productive and contributed significantly to strengthening collaboration between Dr. B. R. Ambedkar University and the Delhi AI Grind Team. The visit helped align students, mentors, and administrators with the goals of the AI Grind initiative and laid a strong foundation for future activities. The next level event is to conduct a Pitchthon(Shortlisting round) at university level will be organized soon in discussion with all team members.
