1. SHE PhD Scholar presents research at Conservation Asia Congress 2026

Ms. Juno Negi, PhD Scholar at the School of Human Ecology (SHE), represented Dr. B.R. Ambedkar University Delhi at the 6th Conservation Asia Congress (CAC) 2026, held in Kathmandu, Nepal. She delivered a full oral talk titled *“Between Loss and Intention: Farmland Abandonment and Wildlife Conservation in the Garhwal Himalaya”*, highlighting how wildlife-related livelihood losses intersect with changing agricultural landscapes and conservation intentions in the Western Himalaya.
