Call for Startups:

Join the Atal Incubation Centre – Ambedkar University Delhi Foundation (AIC-AUDF)

Are you an entrepreneur or Startup with a vision for innovation and growth? The Atal Incubation Centre – Ambedkar University Delhi Foundation (AIC-AUDF) invites you to be part of our dynamic incubation program and turn your ideas into impactful ventures.

About AIC-AUDF

AIC-AUDF is a non-profit organization supported by Atal Innovation Mission (AIM), NITI Aayog, and operates under the aegis of Dr. B. R. Ambedkar University Delhi, a public university established by the Government of the National Capital Territory of Delhi.

Founded in 2020, AIC-AUDF was created to foster an entrepreneurial culture and navigate the waves of innovation and startups across the globe. Our vision is to be one of the best Startup incubators, providing essential direction, technical support, infrastructure, investor access, networking, and a variety of resources to help startups survive and scale.

Why Join AIC-AUDF?

Access to world-class resources, mentorship, and networking opportunities.

A vibrant ecosystem to nurture innovative ideas and scale your business.

A platform to create high-impact solutions, generate employment, and drive socio-economic growth. **Eligibility Criteria**

Who Can Apply?

Entrepreneurs/Startups: Individuals or teams working on innovative products, processes, or services with scalable business models.

Business Entity Requirements

Startups must be registered as one of the following:

- Private Limited Company (under The Companies Act, 2013)
 - Sole Proprietorship
 - One Person Company
 - Registered Partnership Firm (under The Indian Partnership Act, 1932)
 - Limited Liability Partnership (under The Limited Liability Partnership Act, 2008) •
- Other forms of commercial establishments allowed under Indian laws.

Startups without legal registration are also welcome to apply, provided they register their entity within one year of joining AIC-AUDF.

Additional Eligibility Conditions

Must not be older than 7 years from the date of registration (10 years for biotechnology-related startups).

- Annual turnover in any preceding financial year must not exceed INR 25 crores. •

Startups should not result from the splitting or reconstruction of an existing business.

- Focus on developing innovative solutions with high potential for employment generation and wealth creation.

Important Dates

Last date for submission: 15th November 2026
