Dr. B. R. Ambedkar University Delhi (AUD), a public university of the Government of the National Capital Territory of Delhi, established under the Dr. B. R. Ambedkar University Delhi Act, 2007, invites applications from eligible candidates for a **temporary project position** under the **ICMR-funded research project** titled "Implementation of D-RESeT Intervention Programme for Managing Digital Addiction among University Students in Delhi NCR: A Pragmatic Trial"

Extended date for application: November 11, 2026

Eligible candidates are encouraged to apply as per the details provided below:

Details of the Post	
Name of the Post	Invited temporary post (Project Research Scientist-II. Non-Medical)
Number of Positions	One (01)
Nature of Engagement	Purely on a temporary basis
Duration:	Six (06) months (extendable based on performance and requirements, and based on performance review, the contract can be terminated on 15 days' notice anytime during the term)
Eligibility Criteria	1. Postgraduate degree (MA/MSc) in Psychology/Neuro Psychology/ Applied Psychology/Cognitive Sciences/ Social Sciences or allied disciplines with Minimum 55% marks at the postgraduate level 2. Upper age limit: 35 years 3. Additional Qualification: MPhil/PhD in a relevant discipline
Desirable Qualifications	• Prior experience in funded research projects, preferably in areas related to behavioural addiction, clinical psychology, cognitive neuroscience/neuropsychology, neurofeedback, and EEG data acquisition and analysis. • Experience in experimental design and programming using EPrime and/or PsychoPy. • Familiarity with quantitative and qualitative research methods, systematic literature reviews (SLRs), and meta-analysis. • Ability to design and implement experimental paradigms and undertake data collection, analysis, interpretation, and research report writing. • Proficiency in Microsoft Excel and statistical or qualitative analysis software, such as SPSS, R, MATLAB, and NVivo. • Strong academic writing, communication, coordination, and organizational skills, with the ability to manage multiple tasks and meet project deadlines.
Remuneration	As per ICMR norms
Job Description	The project requires a self-motivated candidate with strong communication and coordination skills to support the successful execution of project objectives.

	Key Responsibilities • Undertake primary and secondary research, including literature reviews, secondary data analysis, and the systematic organization and documentation of research materials. • Conduct systematic literature reviews and meta-analyses, as required, and assist in designing and implementing experimental paradigms. • Coordinate and support data collection and field research activities, including fieldwork planning, logistics, and liaison with relevant stakeholders. • Assist in questionnaire development, data transcription, compilation, entry, coding, and quantitative and qualitative data analysis. • Support the preparation of research outputs, including manuscripts for academic journals, research reports, policy briefs, presentations, and other project-related documentation. • Maintain research records, project documentation, and data in an organized and systematic manner. • Coordinate project-related logistics and facilitate communication among team members and external stakeholders. • Undertake other research-related responsibilities assigned by the Project Team in accordance with the project objectives.
How to Apply	**Applicants are required to email their applications to** pratima@aud.ac.in with the subject line: *Application for Project Research Scientist-II. Non-Medical– ICMR Project***:** 1. A detailed CV including contact details (mobile number and email ID) and the names and contact details of two referees. 2. A one-page Statement of Interest (up to 500 words) explaining the applicant's suitability for the project. 3. Up to two publications or a relevant published writing sample in English (approximately 2,000 – 4,000 words)
Last Date for Application	Applications must be submitted by email and/or using link: https://forms.gle/JRCCXnz4tGe2SYpx9 on or before the specified deadline. Only shortlisted candidates will be contacted for further consideration. ~~November 06, 2026~~ Extended date: November 11, 2026

General Instructions

- The position is purely temporary and co-terminus with the project.
- No TA/DA shall be payable for attending the interview.
- The interview schedule will be published on the University website and communicated via email to shortlisted candidates.
- The University/School reserves the right to amend, reschedule, cancel, suspend, or withdraw the recruitment process, in part or in full, without assigning any reason. The decision of the University in this regard shall be final, and no appeal shall be entertained.
- Expenditure incurred on project-related travel, photocopying, and stationery shall be reimbursed in accordance with AUD norms.
- Incomplete applications and applications containing plagiarized writing samples will be summarily rejected.
- Candidates are advised to visit the University website regularly for updates and information regarding their candidature: https://aud.delhi.gov.in/.
- The services of a selected candidate may be terminated if their performance is found unsatisfactory, in accordance with the applicable terms and conditions of engagement.

- In the event of any dispute or ambiguity arising during the selection process, the decision of the University shall be final and binding.
- The selected candidate must be willing to join immediately.
- For queries, candidates may email pratima@aud.ac.in, with a copy to richa@aud.ac.in, using the subject line: *Query Regarding ICMR Project Recruitment*.
