AUD Admissions 2015.

2015 -2nd Edition

Bulletin of Information, Admissions, AUD 2015

Ambedkar University Delhi (AUD) was established by the Government of the National Capital Territory of Delhi through an Act of Legislature in 2007 and notified in July 2008. AUD has been conceived as a unitary university focusing largely on research and higher learning in areas of knowledge broadly in the domain of the social sciences, humanities and the liberal arts.

Mandated to focus on research and teaching and guided by Dr Ambedkar's vision of bridging equality and social justice with excellence, AUD considers it to be its mission to create sustainable and effective linkages between access to and success in higher education. AUD is committed to creating an institutional culture characterised by humanism, a non-hierarchical and collegial environment, teamwork and nurturance of creativity.

AUD functions through its Schools and Centres. Schools have relatively well demarcated epistemic contours. The distinct typologies in the nomenclature of the Schools reflect their focus on areas of knowledge and professional specialisations, which are relevant to contemporary times.

MA SOCIAL DESIGN

sdesadmissions@aud.ac.in
nishant@aud.ac.in

This School is a locus in which the social functions of design are studied and implemented, and not only its aspect of function and form. Design is inherently multidisciplinary. School of Development Studies

MA DEVELOPMENT STUDIES

deansds@aud.ac.in

It was one of the first schools to become functional at AUD. The School offers an MA programme in Development Studies. The first batch of MA Development Studies completed its programme in 2011. PG DIPLOMA IN EARLY CHILDHOOD CARE AND EDUCATION

sesadmissions@aud.ac.in

This School at AUD seeks to evolve as a community of professionals and scholars endeavouring to understand education in its historical and contemporary contexts through engaged scholarship and practice. The School attempts to bridge the gap between the theory and practice of education in its multiple locations—in that it fosters greater convergence between the study of education as a social phenomenon and the preparation of professional educators. The School works towards the development of a rigorous and praxis-based theoretical perspective for analysis and research while engaging with teacher education, curricula, policy, planning and administration.

SES

School of Human Ecology

MA ENVIRONMENT AND DEVELOPMENT

deanshe@aud.ac.in,

Its seven BA Honours programmes offer students a unique liberal arts education that acquaints them with diverse approaches to knowledge. The undergraduate programmes at AUD offer students a wide choice of courses. The School teaches students to think critically and creatively, to analyse and reason, to communicate effectively, and to draw evidence-based conclusions. It aims to achieve a balance between the range and depth of the subjects studied.

SUS

Centres

The Centres at AUD have a relatively flexible structure and comprise professionals and scholars put together, more or less in project mode, to undertake research, documentation, training and some teaching in lesser known or neglected areas of social and academic concerns. The Centres at AUD are identified as distinct locations for project-based research, policy advocacy, capacity building and networking with the community. The Centres have project staff appointed on part-time and contractual basis and can also be staffed by faculty from the different Schools of study concurrently for a finite time.

Currently the following Centres are functioning at AUD:

Centre for Community Knowledge

Centre for Early Childhood Education and Development

Centre for Development Practice

Centre of Psychotherapy and Clinical Research

Centre for Publishing

Centre for Social Science Research

Methods

Incubation Centre for Social Entrepreneurship and Innovation

AUD is in the process of establishing several other Centres — the Centre for Publishing, the Centre for Leadership and Change, the Centre for Equality and Social Justice, the Centre for Engaged Spiritualities and Peace Building and the Centre for Social Applications of Mathematics.

Campus

AUD is currently located at Kashmere Gate, within a 10-minute walk from the metro station. AUD hopes to move into its permanent campuses at Dheerpur and Rohini in the next five years.

Gender-sensitive Campus Spaces

Building gender-sensitive and healthy' campus spaces is crucial for creating an enabling environment where our students and faculty, as individuals and as groups, can unfold our creative potential. The acts that constitute harassment are often general and diffused in our life. It is, therefore, important to understand what constitutes sexual harassment and how it affects our everyday lives in both public and private spheres, in educational institutions and work environments. Our attempt is to generate a consciousness amongst the university community that treats the experience of sexual harassment as a violation of one's dignity as well as of freedom of mobility, speech and expression. We are committed to providing a creative and stimulating academic culture and healthy and safe campus life to our students and staff.

Zero Tolerance for Ragging

No form of ragging shall be tolerated in the University campus. Fresh students are advised to desist from doing anything, willingly or against their will, even if ordered by a senior or any other student to rag another student. Any attempt at ragging should be promptly reported to the Anti-Ragging Squad or to the Dean or to the Head of the Institution.

All students are required to submit a signed affidavit in the format which can be downloaded from the website, http://antiragging.in/Site/Affidavits_registration_form.aspx

AUD Hostel

AUD has at present limited hostel facilities. A few seats are available for girl students in the Kashmere Gate campus. Students can apply for hostel accommodation once they have secured admission. The application form and brochure for hostel accommodation will be available at the University Offices and on the AUD website at the time of admission.

AUD is a non-smoking campus. Consumption and sale of illegal drugs or intoxicating substances are strictly prohibited within the AUD campus.

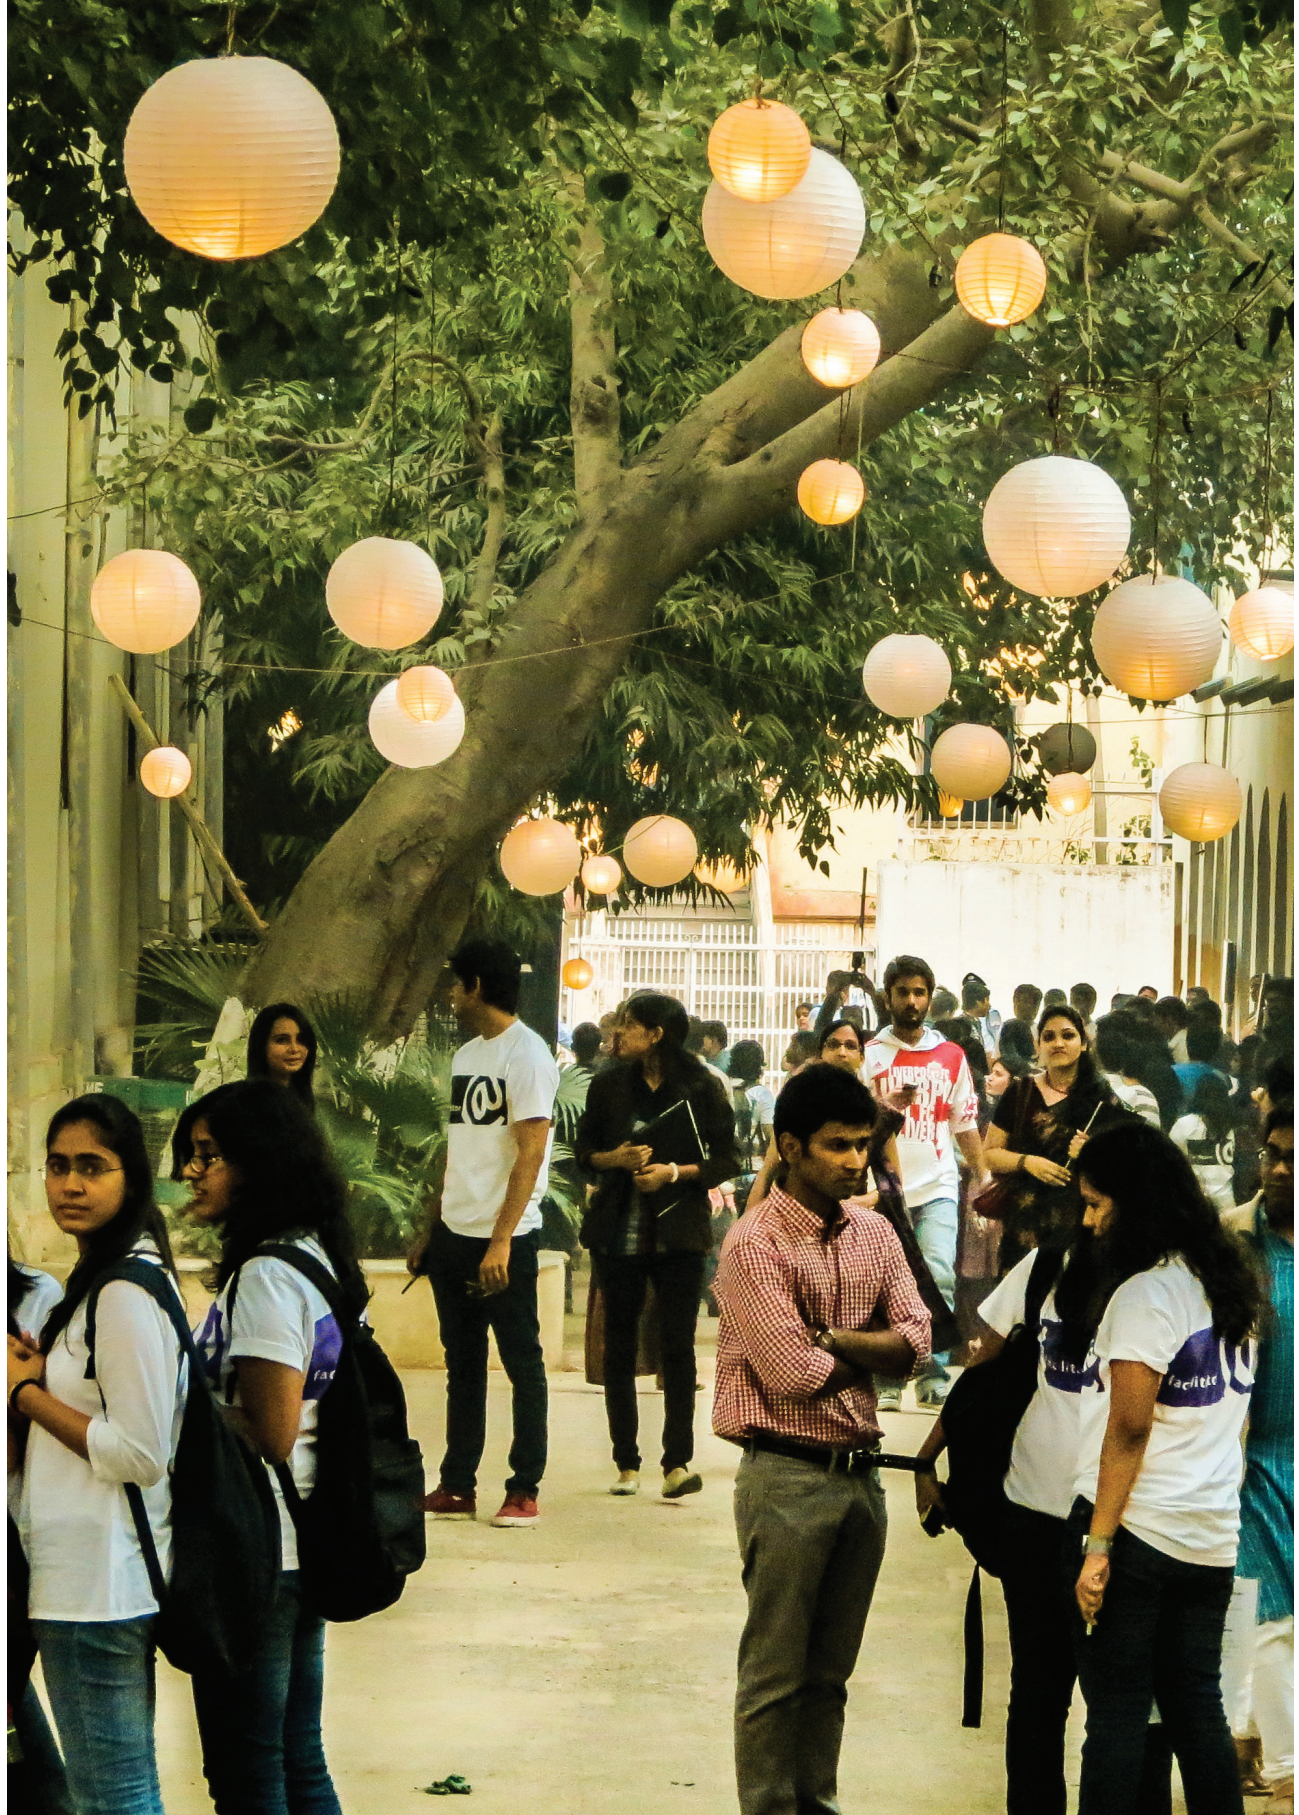
Student Life

Students at AUD start their day with classes but it gradually transforms into a day where students become part of a wide range of events happening across the University. At one moment one might see a street play in progress and at another one might walk into a discussion over serious issues. AUD students spend their day engaging in these activities, enjoying each moment with zeal and then preparing for the events of the next day with enthusiasm.

Film screenings, literary festivals, musical nights, street plays, poetry recitations and other such events bring a diverse culture to the students they not only enjoy but also learn from. The students not only gather knowledge in lectures here at AUD, but the horizon of education goes beyond the four walls of classrooms.

The Student Cell

Understanding the need for a student support structure, AUD has created a Student Cell—a peer support group that hand-holds and assists fellow students, especially those who are facing economic, academic, social or emotional difficulties, and identify and engage with such difficult experiences of the students. Its initiative rests vitally on the student's sense of responsibility towards themselves and on their sense of identification with the University. Such an effort may help in the creation of an institutional culture that would be marked by a sense of community and ownership, aimed at addressing the alienation that is often felt in such large spaces.



The Student Cell would primarily act as a buffer between the students and the administration. It would be a quasi-official body comprising largely of students themselves meant to act as a liaison between Student Services and the students.

The Student Cell would become the first space for the students to approach in case of need.

Cultural Activities

AUD established a series of cultural societies to galvanise the intellectual and extracurricular life of students in the campus. There is a thriving Dance Society, Debating Society, Fine Arts Society, Literary Society, Music Society, Quiz Society, Society for Visual Culture and Theatre Ensemble, which regularly have cultural events. The Economics Society and the Mathematics Society have been activated. There are regular talks, lectures, screenings and performances in the campus and students are encouraged to participate in and organise events around them.

AUD@city

To celebrate the cultural and creative life of the student community and as an expression of AUD's connect with the wider community of the city of Delhi, a two-day annual festival is organised at AUD. Aud@city is planned as a showcase event of AUD with the stated objective of highlighting the unique mandate of the University of combining 'access with success'. It is an event that showcases the diversity of AUD and sets it apart by focusing on the advantages of being Delhi's State University—'of and for Delhi'. It also provides a space for creativity, interdisciplinarity, multiculturalism and plurality.

Research

Admissions to the MPhil programmes occur once a year in July–August. Admissions to the PhD programmes generally happen twice a year, in July–August and January–February. The number of seats available in each School for research may vary. Cutting-edge, unconventional and interdisciplinary research in new and established fields is encouraged at AUD.

Outreach

The School of Development Studies and the School of Human Studies have jointly launched an MPhil programme in Development Practice in collaboration with PRADAN. The Programme involves 'field immersion' for about two semesters in rural and tribal locations.

Medium of Instruction

The medium of instruction at AUD is English. However, we encourage students from different linguistic backgrounds to apply for admission to the programmes at AUD. Specially designed courses in English are organised to help students improve their language proficiency.

Assessment and Evaluation

The purpose of assessment and evaluation at AUD is to facilitate and promote learning with understanding. Students are expected to be regular in attending classes, workshops and other educational exercises. Work done by students during the teaching semester will count for more than the end-of-course examination. Grades will be given to students for performance in tests, classroom presentations, group discussions, fieldwork/project work, term papers and other exercises designed by teachers. The ability to work in a group or design an investigative project may be tested and evaluation may include peer assessment. Results of assessment will be communicated to students in a timely manner so that they have adequate opportunity to improve their subsequent work. Tutorials and mentoring will be important features of all programmes.

Fee Structure

The vision guiding AUD is the commitment that prospective students learn to value and appreciate the social privileges they enjoy because of the heavy subsidy that goes into public institutions of higher education in India. Therefore, a minimum proportion of the cost actually to be incurred by the University for each of its students is reflected in the fee being set per semester. Based on this philosophy, AUD has instituted a differential fee structure for different programmes, with an understanding that the upper slab is envisaged not to be so high that only a particular segment of society can afford it and the lower slab not so low that the sense of responsibility among the students goes missing.

The differential fee structure ranges from Rs. 1050 to Rs. 2100 per credit of course work for most courses. Students will also be expected to bear additional expenses related to field visits, cost of supplementary programme, (learning) materials etc.

In addition students are required to pay Rs. 500 per semester to the Student Welfare Fund, Rs. 5000 is to be paid as a refundable security deposit.

It may be noted that at present the fee constitutes not more than 10 per cent of the operational costs of the University. It is also the stated policy of the University that no deserving applicant, as far as is possible, is denied the opportunity of studying at AUD merely due to her/his inability to pay the fees.

Payment of Fees

All candidates who will be provisionally offered admission to a programme are required to deposit the fee within the time stipulated in the admission notice. [See procedure for applying for fee waiver and scholarship]

Students will be required to pay the fees of the subsequent semester/s within four weeks of the commencement of classes. A penalty of Rs. 100 will be imposed per week for late payment and after four weeks of non-payment, the name of the student shall be de-enrolled from the programme.

Fee Waiver and Scholarships

The University offers full and partial fee waivers to students who are in need of support given their economic background. In fact, 25 per cent of the fees collected from students are returned to the economically disadvantaged students by way of fee waivers and scholarships. In the previous years, many students have been awarded fee waivers. Most of these have been full fee waivers.

Procedure for Applying for Fee Waiver and Scholarships

At the time of admission, a student can apply for fee waiver by submitting supporting documents.

If provisionally admitted to a programme,he/she will be permitted to take admission without having to pay the fee.

Students, whose combined annual family income is less than Rs.400,000, will be eligible for fee waiver. A student will continue to receive fee waiver provided he/she is found to be regular in attending classes and maintains an acceptable level of performance in studies.

SC/ST/PD students are advised to submit their application in the month of February for Scholarships under the SC/ST/PD categories for the academic session of that year.

Student Welfare Fund

The University has created a Student Welfare Fund with the objective of making financial assistance available for meeting the welfare requirements of students in need, such as emergent medical assistance, purchase of books and study material, meeting boarding and lodging expenses equivalent to the amount that is required to avail of AUD hostel facilities, and any other comparable need of students.

An amount of Rs. 500 per semester is collected from all students towards the Student Welfare Fund and an equal amount is contributed by the University. The Fund is managed and monitored by a Committee which includes a nominee of the student community.

Through the fee structure as well as the exemptions offered, AUD hopes to inculcate a social sensitivity in its students—to respect what they enjoy as privileges and to be able to serve society in their future professional capacities.

REFUND OF FEES

Before Orientation for a programme Rs.1,000 would be deducted.

After Orientation for a programme only caution deposit would be refunded.

The decision of the Admission Committee on all matters of admission will be final.

The jurisdiction of any dispute will be limited to the NCT of Delhi.

Admission of Foreign Students

A few seats are reserved for foreign students in every programme.

Eligibility

Foreign nationals who are not in India need to apply through their Consulate or Embassy.

All foreign nationals must hold a student visa valid for the entire period of study endorsed by the Ministry of External Affairs, Government of India.

The degrees of foreign nationals must be recognised by the Association of Indian Universities.

Fees for foreign students will be twice the fee applicable to Indian students for each semester and Rs.500 per semester towards the Student Welfare Fund. In addition they will be required to pay Rs.10,000 as a refundable deposit.

Foreign students should send their applications to:
