Subject: Availability of University Medical Team for advice and guidance during lockdown period COVID-19 pandemic – reg

As you are aware that the global pandemic arising out of outbreak of COVID-19 has posed an unprecedented challenge before the humanity and our country including Delhi is no exception to this crisis.

As directed by Hon'ble Vice Chancellor, all efforts are being made taking precautions, measures for prevention etc., in the University campuses, and extending possible help to AUD employees and students during COVID-19 pandemic. Presently the University is closed and all University employees (except on essential services/duties) and students are in their homes etc, due to prevailing Lockdown in the Country. Notified areas/sectors of hotspots in Delhi, Noida, Ghaziabad and other parts of NCR have also been sealed now with complete ban on movement in these areas. In such prevailing conditions, and for any emergent medical health issue of employees and students of AUD, University Medical Consultation team has been requested to be available on telephones for providing online advice/guidance in case of medical emergencies. All employees and students of AUD are informed that the following University Medical Consultation team of Doctors and Nurses will be available between 8am to 6 pm (every day) , on the contact numbers mentioned against their respective names for online advice/guidance in case of medical emergencies, during this lockdown/sealing period.

S.No	Name	Designation	Emergency Contact No.
1	Dr. Archana Gupta	Medical Officer	9873121303
2	Dr. Bhupinder Singh	Medical Officer	7002023349
3	Ms. Neelam	Staff Nurse	9650519119
4	Ms. Neha Mehta	Staff Nurse	9953511052

This issue with the approval of the Competent Authority.
