

# National Rural Conclave

The newly launched Chaudhary Charan Singh Centre for Agribusiness and Rural Entrepreneurship at Dr B R Ambedkar University Delhi is hosting a two-day National

Rural Conclave titled “The Rising Rural: Mapping the Trajectories towards Viksit Bharat” on 6–7 November 2025 at the India Habitat Centre, New Delhi. Drawing on the ideas and legacy of Chaudhary Charan Singh, this Conclave seeks to comprehensively engage with the meaning of rural transformation in India — as a process rooted in equity, sustainability and the empowerment of those at the grassroots.
