School of Human Studies (SHS)

School of Human Studies (SHS) SHS is an exploratory, interdisciplinary space for thinking and reflecting on the myriad meanings of being human. Academic programmes housed in the School focus as much on the promise and potential of the human as on historical exclusions and marginalization.

Ph.D in Psychology

The Doctoral Programme in Psychology at School of Human Studies, Dr. B.R. Ambedkar University Delhi, promotes active and ethical involvement with diverse forms of life across various cultural settings. The psychosocial framework of research fosters a focus on grasping the subtleties of human subjectivity and aims to explore the internal complexities, dilemmas, resilience, life choices, and conflicts within the participants' inner worlds. Through a critical lens, the PhD in Psychology offers advanced qualitative and quantitative research methodologies to appreciate the intricacies of sensibility, thereby enhancing their clinical-critical, participatory, and dialogical practices. In order to prepare students for interdisciplinary inquiry, the integrative training path enables them to embrace empirical evidence-based research using the rigor of a mixed-method approach. This facilitates scholars' versatile ability to tackle complex psychological questions through rigorous, interdisciplinary, and forward-looking research.
