APPLICATIONS TO MULTIPLE PROGRAMS

1. Applicants may apply to multiple programs, for which they are eligible, after paying a single application fee.
2. Provisional admission lists for each program will be drawn up independently and the applicant's name will appear in all programs in which they meet the cutoff score.
3. Applicants must take admission in **only one** program among those in which they are offered admission.
4. In case an applicant has taken admission in one program, and are offered admission in another program later in the process, and they wish to join the latter program, they must make an application for transfer following the prescribed procedure.
