Ph.D. in Public Policy and Governance
Admissions 2026-27

School of Public Policy and Governance (SPPG)

School of Public Policy and Governance (SPPG) School of Public Policy and Governance offers three interdisciplinary, diverse and intersecting programmes in 'public health' and 'public policy and governance' that support, encourage and redefine liberal arts education through a number of interdisciplinary courses, field practicum and participatory pedagogy. The school and its programme are founded on the premises that academic engagement, policy and practice should inform each other.

PhD Programme in Public Policy and Governance

The School of Public Policy and Governance (SPPG) invites applications for admission to its Ph.D. Programme in Public Policy and Governance. The Programme promotes interdisciplinary and policy-oriented research on contemporary issues in governance, development, democracy, and public institutions.

Research areas include Rural Development Agriculture, Employment and Labour Market Policies, Human Development, Social Inclusion, Gender and Governance, Local Self-Governance, Urban–Rural Governance, Social Movements, Social Policy and Welfare, Policy Institutions, Constitutionalism, Digital Governance, and Welfare Programmes and Public Service Delivery.
