School of Human Studies (SHS)

Bulletin of Information

Ph.D in Women's and Gender Studies

Admissions 2026-2027

School of Human Studies (SHS)

School of Human Studies (SHS) is an exploratory, interdisciplinary space for thinking and reflecting on the myriad meanings of being human. Academic programmes housed in the School focus as much on the promise and potential of the human, as on historical exclusions and marginalization.

Ph.D in Women's and Gender Studies

The Women's and Gender Studies Ph.D programme is conducted by Gender Studies Programme, School of Human Studies, Ambedkar University Delhi. It creates a space for social analyses primarily using the category of gender. We encourage work that bring in complex analysis of gender seeing it as produced through many categories like caste, class, sexuality, ability and community, for instance. The pedagogies of teaching and learning employed at Women's and Gender Studies research programmes, are intended to further a feminist sensibility in ways that balance academic rigour with intellectual freedom. Please check the AUD website for faculty specialisation, thematic areas and specialisation.
