PhD Programme
(Hindi) 2026-2027

School of Letters (SOL)

SOL is home to postgraduate studies and research in Hindi, English and Comparative Literature and Translation Studies (CLTS). It offers a range of interdisciplinary, diverse and overlapping programmes that support, encourage and redefine liberal arts education through a number of interdisciplinary courses, participatory pedagogy and teaching-learning processes.

PhD Programme in Hindi

The School of Letters offers admission on an annual basis to a PhD Programme in Hindi which emphasizes the development of research competency. Research scholars shall acquire or improve skills for effective review of and engagement with scholarship (professional or expert literature) in their chosen areas of research. They are helped to discover and apply methodologies necessary to carry out original research through a variety of sources with a view to evolving interdisciplinary and connected engagement with literary Studies. Research scholars will actively contribute to the intellectual life of the University through regular communication about research work with faculty and fellow students. The main output of Hindi research scholars' efforts will be a thesis.
