

NOTICE
CORRIGENDUM: ELIGIBILITY FOR Bsc. MATHEMATICS

July 30, 2026

In the Admission Brochure 2026-27, on p. 72, the additional eligibility requirement for B.Sc. Mathematics is to be read as

“In addition to the minimum eligibility criteria applicants must have passed the class XII examination with at least passing marks in Mathematics.”

All other eligibility and selection conditions, including minimum eligibility conditions remain unchanged.
