## Message from the Honorable Vice Chancellor

Dr. B. R. Ambedkar University Delhi has created a research ecosystem in line with the national agenda in alignment with the National Education Policy 2020.

It gives me immense pleasure to release this Booklet 'Promoting Research Ecosystem: Initiatives and Impact' on the occasion of the First Research Awards Ceremony, November 2, 2022. Ensuring high quality inclusive education and generating socially relevant knowledge has been the motto of the University. The University is committed to promote socially impactful research and in that direction has instituted the AUD Research Publication Incentive Scheme for faculty and AUD Merit Fellowships Scheme for PhD scholars.

As a public university, we understand and seriously take our responsibility of pedagogy, practice and policy towards society and the nation. Through our current and future research initiatives, our efforts would be towards contributing to the sustainable development of knowledge cultures, strongly rooted in our plural social contexts with global standards of excellence. Dr. B. R. Ambedkar University Delhi will play a leadership role in future towards social sciences and humanities knowledge creation and take a prominent role among all Universities across the country.

**Professor Anu Singh Lather**  
Vice Chancellor  
Dr B R Ambedkar University Delhi

November 2022

## Acknowledgements

This Booklet 'Promoting Research Ecosystem: Initiatives and Impact' is compiled by the Centre for Publishing, Dr B. R Ambedkar University Delhi, on the occasion of the First Research Awards Ceremony, November 2022. Information available in this booklet is collated from Research and Consultancy Division, Annual Reports, Library Institutional Repository and from enrolled Ph.D scholars. Peer reviewed journal articles, books and edited books, chapters in edited volumes and conference proceedings have been listed in this compilation. All of this has been possible, in a very short duration, due to the encouragement and efforts of many.

Vice Chancellor Professor Anu Singh Lather for encouraging a research environment in the University and supporting the need to document and disseminate information on faculty and research scholars' publications through this booklet

Registrar Dr Nitin Malik for providing all forms of administrative support

Controller of Finance Mr Rajeev Talwar for his continuous support

Dean Research and Consultancy Division, Professor Babu P. Remesh for providing inputs for the booklet

Dr Kritika Mathur, Deputy Dean Planning Division for providing valuable information from past Annual Reports of the University

Ph.d Research Scholars who shared information about their publications

Dr. Manju, Library for providing assistance from Institutional Repository of the University Library towards this compilation

Mr. Palash Kaushik, Section Officer, Research and Consultancy Division and Centre for Publishing

## **Policies for Facilitating Research Ecosystem at Dr B R Ambedkar University Delhi**

### **For Faculty**

Travel grant for 2 National Conference Presentation annually

Travel grant for 1 International Conference Presentation annually

*Shodhotsav*: Annual Research Festival 2020 and 2022

Seed Money Grant Faculty Research: 1 lakh for 10 months (40 projects supported between 2019-22)

Minor Research Project Grant (1 lakh to 5 lakhs, for a maximum of two years)

Major Research Project Grant (5 lakhs to 10 lakhs, for a maximum of two years)

Consultancy Policy

AUD Research Publication Incentive Scheme

### **For Students and Research Scholars**

Travel Grant for Conference presentation—national and international

Field Work related grant during doctoral research

Learning Enhancement Scheme—grants for facilitating field-based pedagogy in all academic programmes

Merit Scholarships and Grade Improvement Scholarships for UG and PG students

Non-NET Fellowship

AUD Merit Research Fellowship for doctoral scholars

## Research and Consultancy Division

The Board of Management in its 25th meeting held on 26.12.2018 approved the proposal for the creation of the office of Research and Consultancy (R&C). The division was notified on 13 February 2019 and took over the responsibility for overseeing research projects from the Academic Committee for Research Projects Management (ACRPM).

The Research and Consultancy Division looks after research and consultancy related matters in the University. It provides strategic planning and guidance across academic and research programmes. The Division oversees the research and consultancy projects done by faculty either individually or in collaboration with external agencies or institutions. This involves ensuring that research and consultancy carried out by faculty members complies with the appropriate regulatory, legal, professional, and ethical standards. The Division is mandated to create frameworks and most importantly to create an enabling environment for research and consultancy projects to take place within the University and in collaboration with outside members or institutions.

Another aspect that the Research and Consultancy Division looks after is capacity building in research by helping develop skills and methodological insights in research among the University community.

The Division is responsible for organising Shodhotsav: Annual Research Festival of the University.

Professor Geetha Venkataraman was Dean Research and Consultancy Division from 2019-2022

Professor Babu P. Remesh is currently Dean Research and Consultancy Division since 2022

The details of the current Seed Money Grant projects, Major and Minor research projects that the University is supporting and the Division is anchoring are given below:

### Minor and Major Research Projects funded by the University (MRPG)

The following Research Project proposals were received in February 2020. The process for reviewing these projects by a duly constituted committee consisting of internal and external experts was completed in early 2021.

| Faculty Name       | School/Centre | Project Title                                                                                                                                      | Budget (Rs.) |
|--------------------|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------|--------------|
| Dr Budhaditya Das  | SLS           | Land governance and large dams in central India: A case study of the Morand and Ganjal Complex projects in Madhya Pradesh.                         | 94,950/-     |
| Dr Kopal           | SUS           | Contemporary Crime fiction from the Global South: Crimes of the Neoliberal Capitalism.                                                             | 1,00,000/-   |
| Prof. N. Nakkeeran | SGA/CRM       | Methodological contributions of thinkers/writers/practitioners from the field of social sciences, humanities, creative art, fields of practice and | 1,80,000/-   |

## Projects funded by Sources/Agencies Outside of the University

### A. Consultancy Projects

The Research and Consultancy division facilitates revenue generation as per the Consultancy Policy approved by the BOM in its 24th meeting held on 24 July 2018. The Consultancy Policy provides an enabling mechanism to facilitate faculty and staff of Schools and Centres to offer their academic and professional services.

The details of the ongoing consultancies in the year 2021-22 are as follows.

| Title of the Consultancy                                  | Organisation/<br>Amount                                       | Name of faculty/ Name of PI                            |
|-----------------------------------------------------------|---------------------------------------------------------------|--------------------------------------------------------|
| Imagining Abohar City Museum: History and Memory          | Municipal Corporation,<br>Abohar, Punjab<br><br>Rs. 79,40,000 | Dr Yogesh Snehi, SLS                                   |
