AUD/19-2/2022/Notification/8012   **Date: 16 Aug 2022**

Notification

As a part of its ongoing digitisation journey, the University has decided to switch to issuing only a digital final transcript for students graduating in 2022 and later. The transcript will be uploaded to DigiLocker National Academic Depository (NAD) and will be available for download to students at any time using their registration details.

The digital transcripts will be easily verifiable by employers and academic institutions through a QR code which can be authenticated using the DigiLocker mobile app. Furthermore, entities registered as partners with DigiLocker will be able to automatically verify student details after obtaining their consent.

Students who wish to do so may obtain attested hardcopies of their digital certificate by applying to the AES Division and paying a fee as below

Collection in person or through authorized representative	Rs. 100/-
To be sent by registered post/courier to any address in India	Rs. 500/-

Transcripts for students graduating in 2022 are currently being finalized and verified by the respective Schools and the AES Division. A further notification will be issued once they are available for download.

Final degrees will continue to be issued in a physical format as well as a digital format on DigiLocker-NAD.

This issues with the approval of the Competent Authority.
